

**THE MISSION OF FRIENDS OF THE
MOHAWK-HUDSON BIKE-HIKE TRAIL**

*TO DEVELOP THROUGH PUBLIC EDUCATION AND STEWARDSHIP THE HISTORICAL,
RECREATIONAL AND ECONOMIC OPPORTUNITIES OF THE MOHAWK-HUDSON TRAIL*

The Mohawk-Hudson Bike-Hike Trail is a multi-use trail located along the Mohawk and Hudson Rivers in Albany and Schenectady Counties. The Mohawk-Hudson Bikeway parallels the Mohawk River from Rotterdam Junction to Cohoes where the Mohawk and Hudson Rivers converge. Then, an on-road section leads you to another trail along the Hudson River ending in Albany at the Corning Preserve.

The Friends of the Mohawk-Hudson Bike-Hike Trail will work to ensure the long-term success of the Mohawk-Hudson Trail and related trails. This includes integrating the Mohawk-Hudson Bike-Hike Trail as a keystone forging a link among three major state trail corridors: the Erie Canalway Trail, the Hudson River Valley Greenway Trail System, and the Champlain Canalway Trail. When completed, the Canalway Trail will span over 500 miles and connect numerous cities, towns, and villages along the Canal System, making it one of the longest multi-use recreational trails in the country.

The Mohawk-Hudson Bike-Hike Trail is part of the NYS Canalway Trail System and the Hudson River Valley Greenway Trail System.
